

Laws

REPUBLIC ACT 9003

Ecological Solid Waste Management Act of 2000

The law ensures proper segregation, collection, storage, treatment and disposal of solid waste.

REPUBLIC ACT 9275

Philippine Clean Water Act of 2004

Provides for comprehensive and integrated strategy to prevent and minimize pollution.

REPUBLIC ACT 8749

Philippine Clean Air Act of 1999

Aims to achieve and maintain clean air that meets the National Air Quality guideline values.

REPUBLIC ACT 6969

Toxic Substances, Hazardous and Nuclear Waste Control Act of 1990

Prohibits the entry and transit of hazardous nuclear wastes and their disposal into the Philippine territorial limits. It also restricts and prohibits the importation, manufacture, processing, sale, distribution, use, and disposal of chemical substances and mixtures.

PRESIDENTIAL DECREE 1586

Environmental Impact Statement (EIS) Statement of 1978

Facilitate the attainment and maintenance of rational and orderly balance between socio-economic development and environmental protection
